

Jack Willhite

Two words describe Jack's show... "clever and unpredictable". Whether its Rick James, David Lee Roth & Billy Idol as The Lion, The Scarecrow & The Tin Man, Tom Jones & Goofy at a singles bar, or a Halloween visit to Axl Rose & Jim Morrison's house... you never know what's coming next! A cast member and head writer on the cable television program *Anything & Everything*, this versatile performer's blend of crazy characters, observational comedy and music is sure to put a hefty spin on your funny bone!!
